## **OUR HISTORY**

Celebrating its 15th season in 2023-24, the North American Prospects Hockey League is made up of three Leagues: T1ER League (Tier 1), SHOW League (Tier I/ II), and the FALL League.

The NAPHL has established itself as one of the premier grounds for development and exposure. The success of teams on the National stage, as well as the success of NAPHL players at the next levels of hockey, is further proof that the NAPHL is redefining exposure and has elevated itself to one of the premier training grounds for development and opportunity.

In the last three years, no other USA Hockey Midget Tier I league has had more players play in the North American Hockey League than the NAPHL

The infographic illustrates the multi-advancement path from NAPHL T1ER to higher levels of hockey. It features three player profiles at the top, each with their name, university, and career statistics. Below them, a flowchart shows the progression from NAPHL T1ER to NA3HL, NAHL, and USHL, with statistics on alumni and draft picks.

## TENDER SEASON KICKS OFF IN NAPHL

The 2023-24 North American Hockey League season is underway and throughout NAHL rosters, there are a plethora of former T1ER and FALL alums. As the NAHL is about to release their tenders for the 2024-25 season on November 1st, let's take a look at some of the names that were playing here at this time last year and are now on NAHL rosters.

**Grant Dietz, F, Maine Nordiques** - A year ago, Dietz was wearing a Maine Nordiques logo but it was with their T1ER program. After posting a total of 19 points in 10 games, the NAHL Nordiques signed Dietz to a tender for this season. He has not disappointed to start his junior career as he has scored four times and has nine points in 16 contests.

**Justin Kerr, F, Lone Star Brahmas** - The forward from Cedar Rapids, Minnesota spent his 18U with the CarShield AAA program in the T1ER league. In 19 games played, he lit the lamp eight times and added 11 assists to give himself 19 points. His performance earned him a tender with the Lone Star Brahmas. In 22 games so far this season, the forward has found the back of the net seven times and also contributed 13 assists to give him 20 points on the young season, good for second most on the team.

**Gavin Duckworth, F, El Paso Rhinos** - The Bedford, Texas native spent the last two seasons playing with the Biggby Coffee AAA posting 10 goals and 30 points in 49 games. He tendered with the El Paso Rhinos and now sees himself on the NAHL roster. He's played in 16 games this season, he has scored three goals and two assists so far.

**Grant Kohnen, F, Aberdeen Wings** - Almost a year ago to the day, forward Grant Kohnen was leading the 18U Chippewa Steel to a FALL League championship. In 12 total games in the FALL League, Kohnen was one of the top performers as he netted six goals and seven assists to give him 13 points. His play at this event in 2022 got him a tender with the Aberdeen Wings. He's appeared in 19 games so far this season and he's got seven goals and three assists to give him 10 points.

**Shane Kozlina, F, Maine Nordiques** - Kozlina played two seasons with the Esmark Stars organization, one at the 16U level and one at the 18U level. In 16U he notched 16 points in 25 games but got even better at the 18U level as he put up 22 goals and 40 points in just 32 games as a 17-year old. In his final year of youth hockey, he played for the Maine Nordiques where he continued to dominate. He notched 12 goals and 24 points in just 13 contests. He signed a tender with the NAHL Maine Nordiques and is off to a strong start. In 17 games this year, he has three goals and 10 points.

Shane Kozlina spent three seasons in the T1ER, two with the Esmark Stars and one with the Maine Nordiques. He signed a tender with the NAHL Maine Nordiques as is enjoying a great start to the NAHL season

## **T1ER League Sets New Standard of NAHL Exposure and Development**

Following the conclusion of the 2023 NAHL Draft, the North American Prospects Hockey League T1ER League has again set a new standard for advancement and exposure.

The T1ER is pleased to announce 20 current or former players were selected in the 2023 North American Hockey League (NAHL) Draft, which was held on Wednesday, June 14th.

In addition to the 20 players who were drafted, a record number of 75 players who played in the T1ER league during this past 2022-23 season signed NAHL tenders for the upcoming 2023-24 season.

In all, a total of 95 NAPHL T1ER players were either drafted or tendered by NAHL teams for the upcoming 2023-24 season, which is a new single-season record.

Founded in 2009 and entering its 15th season in 2023-24, the NAPHL T1ER League is the premier training ground for development, exposure, and opportunity. The success of teams on the national stage, as well as the success of T1ER players at the next levels of hockey, is further proof that the T1ER League is redefining exposure and has become the marquee place to play for elite level players, ages 13-18.

No other USA Hockey Youth Tier 1 League has had more players play in the NAHL over the course of the last six seasons than the T1ER, which included over 80+ alumni playing in the NAHL during the 2022-23 season. The T1ER primary mission is to provide development and exposure opportunities for players as they advance on the path to one day play high level junior and college hockey.

“The benefits of the NAHL’s ladder of development exposure model that is exclusive to the T1ER League continues to be the foundation of the player advancement success. NAHL teams are seeing these players multiple times throughout a season and their selections are based on in-person scouting by multiple staff members at events. No other youth league in USA Hockey has a model like it and these results are one of the byproducts of the system,” said NAHL Commissioner and President Mark Frankenfeld.

The T1ER is operated by the NAHL’s experienced staff and provides an organized and competitive experience guaranteed to benefit all the participating student-athletes. The T1ER is composed of regular season Showcase and Events leading up to its Championship Tournament in which the top teams at each age level compete for a league championship.

T1ER players are also continuously recognized on the league’s website and social media outlets, which receive millions of page views and social media engagements annually. This also includes broadcasts and play-by-play of every game, highlights from every game on social media, monthly and yearly award recognition, feature stories, and real-time statistics.

Members of the T1ER get the opportunity to attend some of the most dynamic and highly scouted events. Selected events take place during the same time as NAHL events, which usually feature every NCAA Division 1 and every NHL team along with dozens of junior scouts under one roof. No matter what age classification you compete, the T1ER provides the most dynamic vertical exposure structure designed specifically to educate, develop, expose and advance players.

LEAGUE OF OPPORTUNITY

Currently in its 49th season, the North American Hockey League (NAHL) began as a small bus league in the Midwest during the 1975-76 season, and has grown into the largest and oldest USA Hockey-Certified junior hockey circuit with 32 teams representing some of the nation's best collegiate development programs. The NAHL's proven pathway for young adults between the ages of 16-20 stems from the commitment of the best owners, coaches and players in the country. It is the only USA Hockey-sanctioned Tier II junior league boasting teams in 20 states across the country.

Each season, hundreds of collegiate and professional scouts attend NAHL games and events, continuing the league's proven track record of moving players on to the next level. In 2023, a total of 380 NAHL players committed to play NCAA hockey, with 70% of those being Division I commitments. It also marked the seventh consecutive season with over 300 NCAA commitments.

Players that move on from the North American Hockey League have thrived at the next level. Of the 80+ players nominated for the Hobey Baker Award, 21 were NAHL alumni. In the last 10 years, 50 players have been selected in the NHL Draft and 57 alumni began the 2022-23 season on NHL rosters.

## OUR HISTORY

Celebrating its 14th season in 2023-24, the North American 3 Hockey League (NA3HL), is the only USA Hockey-certified Tier III Junior league. The NA3HL serves as one of the top training grounds in the country by providing the best coaching, exposure and developmental vehicles available for student-athletes in its classification, boasting 34 teams in 16 states across America.

The primary mission of the NA3HL, which is managed organizationally by the NAHL, is to provide a structured developmental environment for student-athletes whose youth options are limited but are still reaching their potential and aspire to play in the NAHL or United States Hockey League (USHL) and eventually the NCAA or American Collegiate Hockey Association (ACHA).

The NA3HL hosts three league events each season including the NA3HL Showcase, the NA3HL Top Prospects Tournament, and the Fraser Cup which attract hundreds of scouts annually. Certified scouts evaluate and promote NA3HL players to NAHL and NCAA coaches throughout the year. Players can also advance through an exclusive NAHL tendering system available only to NA3HL players. The league is also committed to player safety, employing a full-time department to player safety and officiating.

## DUAL ADVANCEMENT PATH

No other league has had more movement and advanced more players onto play in the NAHL than the NA3HL. Thanks to additional and enhanced initiatives that have been in place for the past few years in cooperation with the NAHL, more players from the NA3HL play, practice, and earn NCAA Division I scholarships with the NAHL than any other league. The NA3HL also continues to make its mark and is one of the leaders in junior hockey with the advancement of players onto the NCAA. In 2023, the NA3HL had over 140+ college commitments, with over half of those being NCAA commitments. In addition, over 300 former NA3HL players are currently playing in the NCAA, and 28 former NA3HL are currently playing NCAA Division I hockey.

The NA3HL not only saw 63 of its players tendered or drafted by NAHL teams, but over 60+ NA3HL alumni played in the NAHL this past season. The NA3HL also saw 10 current or former players make NCAA Division 1 commitments this past season. The NA3HL is the only USA Hockey-certified Tier III junior hockey league and the only league that has an exclusive NAHL tendering system available only to NA3HL players. The tendering and draft pick process selections play a big part in the eventual advancement of players each season.

As part of the enhanced initiatives that have now been in place for multiple seasons, all NAHL teams engaged and worked in cooperation with NA3HL teams for increased access to players, including allowing NA3HL players to practice with NAHL teams during the season. The program created additional dialogue between NAHL and NA3HL teams to find prospects and provide them an in-season opportunity for NAHL experience and evaluation. Its direct benefits are resulted in one-of-a-kind opportunities not found anywhere else in USA Hockey-sanctioned junior hockey.

## ABOUT THE NAHL COMBINES

The goal of the NAHL Combines is to provide the aspiring hockey player the opportunity to take part in a one-of-a-kind experience that is designed to maximize exposure at grand-scale events that feature the genuine NAHL Experience. NAHL Combines are run by the professional staff of the North American Hockey League, and are carefully designed to provide **education, exposure, and experience** for prospects that strive to advance their hockey development at the junior hockey and college level.

- **EDUCATION** — players participate in seminars that discuss the NAHL junior hockey experience, the ladder of development, as well as, NCAA compliance seminars. Players learn about a variety of key aspects of their hockey future, including NCAA compliance and eligibility, recruiting processes and the correct path to college hockey, as well as an in-depth look at the three different tiers of junior hockey.
- **EXPOSURE** — players compete in front of NAHL and NA3HL Coaches and NA3HL Central Scouting as they begin to build key relationships with junior teams and coaches. With NAHL Try-out Camps and the NAHL Draft taking place from May through July, NAHL Combines are a perfect indicator to evaluate just how ready they are for the next step and receive valuable feedback.
- **EXPERIENCE** — players from all over North America and Europe will play multiple games against other NAHL and NCAA hockey prospects with team's coached by staff members from NAHL, NAHL Central Scouting, and NA3HL teams, providing a top notch, professional, and memorable experience.

## WHAT TAKES PLACE AT THE NAHL COMBINES

Players will be assigned to a team and receive a weekend schedule 24 hours prior to the combine. From there, each team will play four scrimmages as NAHL and NA3HL coaches work with the players behind the bench. The players' introduction to junior hockey will continue through educational seminars for both combine participants and their families.

- Junior hockey experience through four scrimmage games with coaching from NAHL and NA3HL staff members
- Participants are able to build a relationship with current NAHL & NA3HL Coaches and Scouts on the benches, and receive direct feedback during games
- In-person educational seminars about the junior hockey landscape, including:
  - o USA Hockey/NAHL partnership and the path to college hockey in the U.S. along the NAHL Ladder of Development
  - o Academic preparation and NCAA compliance seminars

The NAHL offers two different combines: A Junior Combine for junior-aged (2004-2008) players who are looking for scouting exposure to all NAHL and NA3HL teams. A Prospects Combine (2008-2010) for future Prospects of the NAHL.
